

**Year 4 - Bunnings - Worm Farm**

Jess and Aaron, from Bunnings.

Here are the worms.

On Wednesday the 28<sup>th</sup> October, Jess and Aaron from Bunnings visited Year 4. They brought along a worm farm and showed us how to set it up. We now have a working worm farm in Year 4. Each week two students will be responsible for looking after the

After setting up the farm we shredded cardboard to put on the

Next we made a potting mix layer.

Next were the worms.

Then a layer of Peat Moss, to keep the worms moist and as a food

All done!

Now we have to look after them!
